# LAND ACKNOWLEDGEMENT

In the spirit of respect, reciprocity and truth, we honour and acknowledge the traditional Treaty 7 territory and oral practices of the Blackfoot Confederacy; Siksika, Kainai, Piikani, and the Stoney Nakoda and Tsuut'ina nations. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis homeland. Finally, we acknowledge all Nations — Indigenous and non — who live, work and play on this land, and who honour and celebrate this territory.

GlobalFest moved into active partnerships with the Indigenous communities in 2009. We focused our programming efforts with Blackfoot Crossing Historical Park in 2011 and added the Tipi Village in 2012, our tenth anniversary year. Our partnership with the Indigenous communities also expanded into the GlobalFest Human Rights Forum and this year, Blackfoot Crossing Historical Park hosted us for the premier episode of livestreamed cooking program GlobalFest Flavours. Blackfoot Crossing has also been an incredible resource for our Canadian Cultural Mosaic production and is an attraction partner in our tourism marketing campaign.

We feel it is important as a non-profit society in Alberta whose mandate it is to promote multiculturalism and create opportunities to expand awareness of the many diverse communities located in Calgary, to acknowledge that it has been very hard to hear about the news over these past months what our Indigenous nations and Métis communities have known for many years, but are now coming to light as more and more sites of unmarked and undisclosed burial sites connected to the residential school history of Canada are being discovered.

This is a historical reality that we all need to acknowledge and all those on this land that call Canada home need to address. We need to listen and to hear the lived realities of our First Nations peoples. We cannot change history; we can learn from history. We can take action today and we can work together to find solutions and to support those who have been impacted.

# A NOTE FROM GLOBALFEST

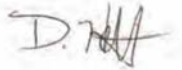

Welcome to GlobalFest 2021! We are so excited to be able to put on this amazing festival again this year after 16+ months of uncertainty in the world as a result of the COVID-19 pandemic. On behalf of the Board of Directors of GlobalFest, I want to thank you for joining us for our 18th presentation of Alberta's Most Explosive Festival!

Since its debut in 2003, GlobalFest has grown to be recognized locally and internationally as Calgary's premiere International Fireworks Festival. Over the years, Calgarians have shared GlobalFest's desire to promote diversity and culture by blending components of Calgary's cultural mosaic together. Typically, at the end of each evening, participating teams from around the world would proudly represent their home country with choreographed fireworks displays. This year is a little different as a result of COVID-19 and a local team will be performing each show on behalf of the named country. We will still have input and participation from the teams that put together the show via online consultation leading up to and during each fireworks display.

The dedication to showcasing cultural diversity and artistic excellence within our communities and around the world creates the perfect local celebration. Every night promises entertainment and unforgettable memories! Throughout the years, Calgary has grown to be a community composed of ethnocultural diversity, and GlobalFest has been at the forefront of promoting this diversity. GlobalFest strives to provide an inclusive platform for the diverse voices within Calgary, and we are extremely fortunate to have the support of like-minded individuals and volunteers who share our values and virtue. It is thanks to these dedicated community members, and the diligent staff at GlobalFest, that we are able to illuminate the skies of Calgary every year!

Thank you and enjoy your time at GlobalFest 2021!

Yours truly,

**Doran Heit**, Chairman

## THE RT. HON. JUSTIN P. J. TRUDEAU, P.C., M.P.

Dear Friends:

I am pleased to extend my warmest greetings to everyone taking part in GlobalFest 2021 at Elliston Park in Calgary, Alberta.

This event offers a wonderful opportunity to experience the sights, sounds, tastes and traditions of our nation's rich mix of cultures. I am certain that everyone in attendance will enjoy the many performances and activities planned for this year's edition of the festival.

It continues to be a challenging time for planning and hosting events. That is why I would like to thank the festival organizers for their hard work and dedication in ensuring this year's edition of GlobalFest could still take place while respecting public health guidelines. Canada is truly a multicultural nation, made stronger and more resilient by our diversity.

Please accept my best wishes for a memorable experience.

Sincerely,

**Justin P. J. Trudeau**, Prime Minister of Canada

# THE HONOURABLE PREMIER JASON KENNEY

On behalf of the Government of Alberta, it is my pleasure to welcome everyone to GlobalFest 2021.

Our province is well known for its summer festivals and events, and I know last year's hiatus was a disappointment to us all. It is exciting to be able to return to the activities we enjoy, and GlobalFest is a wonderful part of a great Alberta summer. This celebration of diversity and the arts provides Calgarians and visitors with the perfect incentive to get out and enjoy the weather, and each other, with displays, delicious food, performers, and plenty of activities—not to mention the fireworks!

Thank you to the organizers, sponsors, and volunteers who worked hard to bring GlobalFest and the OneWorld Cultural Festival back this year. Best wishes for a safe and successful event.

Enjoy the festival!

Sincerely,

**Hon. Jason Kenney**, Premier of Alberta

# HIS WORSHIP MAYOR NAHEED NENSHI

On behalf of my City Council colleagues and the citizens of Calgary, it is my pleasure to welcome you to GlobalFest 2021!

This year marks the 19th anniversary of Alberta's most explosive festival: an inclusive, multi-faceted event that celebrates and showcases the cultural depth and artistic talent of our community. GlobalFest is dedicated to celebrating, showcasing and promoting Calgary's ethno-cultural diversity and artistic excellence while simultaneously enhancing Alberta's reputation as an international destination. GlobalFest is dedicated to facilitate discussions around racism, discrimination, oppression and justice through forums and educational programs with the intention of sustaining commitment by the community to work toward a more inclusive society.

I commend all the volunteers who work tirelessly to ensure the success of this event. I also want to acknowledge the communities of East Calgary for inviting the entire city to celebrate GlobalFest 2021 with them. Diversity brings great vibrance to our city.

I wish everyone a fun, safe and exciting time at GlobalFest 2021! Congratulations!

Sincerely,

**Naheed K. Nenshw**

GlobalFest knows the value of providing post-secondary students with relevant work experience during the completion of their degrees. That's why, each summer, GlobalFest recruits a team of driven post-secondary students from varying backgrounds to participate in the Youth Leaders of Tomorrow (YLOT) Program.

The YLOT Program provides young professionals with opportunities to apply some skill sets that they have acquired during their studies to a real workplace environment. During their time with the GlobalFest team, YLOTs gain insights into the nonprofit sector through hands-on experience in a wide array of areas, including event production, administration, volunteer coordination and marketing and communications. Throughout their time in the YLOT Program, the development of workplace independence, leadership skills and relevant experience all aid in setting the YLOTs up for success with future studies and following graduation.

## THREE YEAR COMMUNITY DEVELOPMENT INITIATIVE

In 2021 GlobalFest launches the new “Reaching Out” Initiative. As our influence extends into the community, we are reaching out to corporate partners with common alignment to our new mission and vision. We seek support that goes beyond the financials. Support which encourages engagement. Thoughtful, active engagement.

The best and brightest ideas will be sought and nurtured, and the reach will continue to grow. The need is great. The challenge is significant. The benefits for all our citizens will be substantial. We will encourage our collective community to be a better place for all.

The Reaching Out Initiative expands on the works that GlobalFest has undertaken for many years, in five key areas.

### **\*NEW\* GLOBALFEST GROVES**

At full realization, GlobalFest Groves will be a series of in-community green spaces created collaboratively with OneWorld’s cultural association partners. Located alongside pre-existing urban reserves, they will be casual gathering spaces, landscaped with trees, seating areas, interpretive installations and level space for community events. The intent is to ensure the Groves annually capture more in carbon emissions that are generated by GlobalFest activities.

GlobalFest is a not-for-profit community development agency focused on development of community and the creation of a more inclusive society, without barriers and with greater understanding.

Do you see alignment with your organisation’s future goals? Connect with us as we Reach Out and build a better Calgary for all.

### **INTERNSHIPS & MENTORSHIPS**

The Youth Leaders of Tomorrow Program has seen dozens of student interns work closely alongside GlobalFest staff in every aspect of event coordination. ([See page 10](#))

### **URBAN & YOUTH ARTS PROJECT**

The Urban Arts program has connected with over 10,000 youth since 2010, engaging them in art and literacy through in and after school programs. ([See page 20](#))

### **HUMAN RIGHTS FORUM**

GlobalFest’s commitment is to ‘Continue the Dialogue’. Moving from a single weeklong series to a more robust offering, with additional stand-alone community forums to explore the findings of the main event. ([See page 21](#))

### **ONEWORLD CULTURAL PROGRAMMING**

Early this year GlobalFest Flavours launched, bringing the tastes of the international food booths at OneWorld into people’s kitchens. ([See page 22](#)).

## URBAN ARTS PROGRAM: RETURNING 2022

Since 2010, over 10,000 students have participated in GlobalFest's Urban Arts Program. This specialized arts curriculum helps improve the lives of young Canadians, to build mental wellness and confidence while developing artistic skillsets.

Our mission is committed to building the understanding of diversity by enriching students' learning experiences. Our approach to the arts, culture and heritage programs delivered in Calgary schools include:

1. **Literacy Program:** Using spoken word poetry to teach diction, expression, storytelling and public speaking.
2. **Artistic Expression:** Rapping, breaking, DJing and beat making.

## SCHOOL-BASED PROGRAMS

We believe that flexibility is key and that effective education requires versatile deployment. This is why we aim to tailor our programs so that they best suit individual student bodies and youth. Contact us today for a free consultation meeting.

## SUMMER CAMP

In the summer of 2019, GlobalFest's Urban Arts Team launched a new summer program – MySummerJourneyYYC. This four-week camp was designed specifically for children of immigrant and refugee families who are still working to find their place in their new communities. The camp was put on hiatus in 2020 due to the ongoing provincial restrictions.

Our plan for the 2022 return of MySummerJourneyYYC is to expand the program from Calgary's core and out to the four city quadrants, plus identifying neighbouring communities with need and interest for these programs in small town and rural areas.

# GlobalFest HUMAN Rights FORUM 2021

CALGARY'S COMMITMENT TO  
COMBATING RACISM and  
ENDING DISCRIMINATION

## CONTINUE THE DIALOGUE

GlobalFest's 2021 commitment is to 'Continue the Dialogue'. We are moving from a single weeklong series, to a more robust offering with additional stand-alone community forums to explore the findings of the main event. Our intent is to expand upon meaningful conversations and encourage action.

GlobalFest will reach further into Calgary's communities, to build more engaged partners and cause action and resolution. The expanded program includes participants sharing a meal and delving into the core topics, facilitated by local and national leaders, educators and advocates. Beginning with our OneWorld ethno-cultural associations and community partners such as Calgary Catholic Immigration Services and the Center for Newcomers, we are also developing relationships with the Canadian Museum for Human Rights (Winnipeg) and the Institute for Canadian Citizenship (Toronto).

# GlobalFest Flavours

GlobalFest has always been more than just fireworks. Annually, the OneWorld Festival celebrates the food, music and performances of the cultural partners who join us in celebration at Elliston Park. In April 2021, we turned our attention to the flavours of the OneWorld Festival with a new live-streamed mini-series. Each episode introduced our audience to a different culture to learn about the foods, flavours, spices and recipes of our cultural partners. It is a complete culinary journey – buying spices, shopping for ingredients, exploring recipes and stepping into home and restaurant kitchens as the chef shared how to prepare a feature dish with Ken Goosen, GlobalFest's Chief Operating Officer.

The first five episodes covered an incredible selection of taste experiences:

**BISON BURGERS ON FRY BREAD  
WITH CHEF ALREY BRASS**  
at Blackfoot Crossing Historical Park

**NASI KUNING AND SATE AYAM (YELLOW COCONUT

# GlobalFest GOLF Classic 2021

On Monday, June 21, 2021, GlobalFest hosted the 5th Annual GlobalFest Golf Classic – Alberta's Most Explosive Golf Tournament – at Muirfield Lakes Golf Club. The year's event, once again, provided our dedicated partners and sponsors a chance to mingle with other stakeholders while enjoying a beautiful, sunny day on the golf course. All the proceeds raised by the tournament will go towards supporting the many community and youth development programs GlobalFest undertakes year-round, such as the Urban Arts Program and Human Rights Forum.

These opportunities are more important than ever to create meaningful dialogue and shared understanding around issues in our communities. GlobalFest is a not-for-profit, community and cultural organization committed to producing an inclusive, world-class, multi-faceted arts and cultural festival that celebrates and showcases cultural diversity and artistic excellence within our communities locally and across the globe.

**We would like to express our sincerest appreciation and gratitude to all our golfers, supporters and volunteers for making the 5th Annual GlobalFest Golf Classic a continuing success. It has been a crazy year for all of us, and we could not have done it without you!**

## INDIVIDUALS AND FAMILIES-IN-NEED PROGRAM

One of GlobalFest's goals is to reduce or eliminate the financial barriers for individuals who wish to attend the festival. In 2009, GlobalFest began donating one general admission ticket for every ticket purchased during our annual holiday season promotion to the IFIN program. With the much-appreciated support from our corporate community partners, and with the assistance of many caring supporters throughout Calgary, we were able to provide over 4,500 complimentary tickets to over 45 service agencies in 2019.

This year, we have split the park up into mask-mandatory zones, and mask-optional zones. The areas of the park that will be MASK-MANDATORY will be the accessible viewing area between Rona VIP Gate and Co-op Corner Gate, and the NW edge of the park by the OneWorld Stage.

Guests are encouraged to wear a mask at all times, but masks will not be enforced throughout the rest of the park.

## TICKETS

**ADMISSION IS FREE FOR CHILDREN 5 AND UNDER WHEN ACCOMPANIED BY AN ADULT.**

**ALL DATES ARE TENTATIVE. NO EXCHANGES OR REFUNDS.** Fireworks will be postponed due to any condition that organizers feel may jeopardize public safety. Upon postponement of an event or presentation, the event or presentation will be rescheduled.

## VIEWING

# OneWorld FESTIVAL

- **ONEWORLD BAR & BEER GARDENS**
- **INTERNATIONAL FOOD BOOTHS**
- **TD VILLAGE STAGE, TD SOUTH BOWL STAGE, AIR CANADA STAGE AND ONEWORLD STAGE**

Elliston Park opens at 6:00 PM, so come early and take in the sights, sounds, smells and tastes that the OneWorld Festival has to offer. The OneWorld Festival brings the world to you in recognition and appreciation of the many cultures that make up Calgary's cultural mosaic!

The 2021 OneWorld Festival features four performance stages and a great selection of international food booths. Absent this year are the Children's Village, Night Market, Cultural Pavilions and Community Activation Booths to minimize high contact areas and open up more park space due to COVID-19, but we look forward to bringing these aspects of the OneWorld Festival back in 2022 to Celebrate a World of Difference!

# International Fireworks Festival

**The GlobalFest International Fireworks Festival illuminates the sky with a colliding orchestra of light and sound.**

Each night of the festival, adjudicators look for several things:

- The quality of the display.
- Originality of the artistic concept: the choice of music and staging.
- Brilliance and richness of the colours that are used.
- 50% of the music used is native to the presenting country.
- Synchronization: the precision of the marriage between the music, sound effects and fireworks.
- The scope of the work.

The result of these artistic requirements are presentations that cannot be seen anywhere else in the world, making each night of the GlobalFest International Fireworks Festival a world premiere presentation.

The lake at Elliston Park adds a special dimension to the festival – the reflections in the water add a fluid, shimmering mirror of the show taking place in the sky above. It is the designer's hope that the audience will lose themselves in the colours and rhythms of the display, while simultaneously being mesmerized by the cadence of the explosions and glittering forms.

Fireworks are the maximum cosmic entertainment, which illuminates the borderless night sky. Since ancient times, fireworks have been carrying people's wishes and lifting spirits in Japan. Not for destruction, but for happiness, fireworks make people smile. We deliver hopes and wishes for peace by igniting fireworks that bloom in the night sky.

The Team Philippines show is a tribute to all the victims and survivors of COVID-19 and our real heroes — front-line workers. The show is a storytelling of what may have transpired since day one and made the world stand still in the grim reality and the misery on how to fight the vicious onslaught of the Pandemic. During our stay at home and being locked down, many of us found ways to entertain ourselves to eliminate boredom and depression. Songs like Michael Jackson's "Smooth Criminal" describes the virus like a smooth criminal and "Poker Face" by Lady Gaga represents when we are wearing our masks. We found ourselves singing and dancing to popular music and a birth of entertainment that kept our hopes alive this last year solidified how strong we are, creating what became "our fight songs."

Canada has a rich history influenced by many diverse cultures and heritages. Our country's Indigenous Peoples have been through many trials that have challenged the survival of their ways of life and indeed their history. Healing comes from removing the threat, hearing the pain and admitting we can do better. Let's listen to the peoples voices, use our voices to support and honour them, and all become part of the solution by remembering the history of all Canadians, and join together becoming the "Spirit of the Nation".
