## WHAT IS GLOBALFEST? WHY SHOULD YOU SUPPORT GLOBALFEST?

What originally began as a 5-day international pyro-musical fireworks showcase & multicultural festival has grown into a community agency that now actively presents and creates all year long. **The underpinning of all our efforts** as a not-for-profit organization is **in community development and making Calgary a more vibrant, progressive, and inclusive community** for all its residents.

### OUR PROGRAMMING INCLUDES:

#### GlobalFest - Reaching Out

In 2021 GlobalFest launched the new "Reaching Out" Initiative. As our influence extends into the community, we are reaching out to corporate partners with common alignment to our new mission and vision. We seek support that goes beyond the financials. Support which encourages engagement. Thoughtful, active engagement. The best and brightest ideas will be sought and nurtured, and the reach will continue to grow. The need is great. The challenge is significant. The benefits for all our citizens will be substantial. We will encourage our collective community to be a better place for all. The Reaching Out Initiative expands on the works that GlobalFest has undertaken for many years, in five key areas:

**Internships & Mentorships** – The Youth Leaders of Tomorrow Program has seen dozens of student interns, over the years, work closely alongside GlobalFest staff in every aspect of event coordination.

**Urban & Youth Arts Project** – The Urban Arts program has connected with over 10,000 youth since 2010, engaging them in art and literacy programs in- and after-school. Over the past number of summers, we have offered a free 2-week summer camp called MYSUMMERJOURNEY YYC that is specifically designed for children of immigrant and refugee families.

**OneWorld Cultural Programming** – The OneWorld Festival is GlobalFest's showcase of the dynamic and vibrant ethno-cultural communities found within our city. Programming during the OneWorld Festival in August includes cultural pavilions, performances, ethnic food vendors, a tipi village and international night market activity, etc. Our programming also includes us being at the Calgary Stampede, appearances at Heritage Park, Stephen Avenue, Dragon Boat Festival as well as other community events and spaces in Calgary such as Chinook Blast and FrostFest.

**OneWorld Festival's** unique cultural performances, heritage pavilions and international cuisine **promotes cultural inclusion and relevance within our city.** A signature event in the OneWorld Festival is our annual Citizenship Ceremony. Held at Elliston Park, this annual tradition has enabled over 1,000 individuals to become new Canadian Citizens. In addition to advancing the recognition and appreciation of the many communities that comprise Calgary's cultural mosaic, GlobalFest also promotes the participation of cultural communities in partnership with organizations such as the Calgary Stampede, Calgary Zoo, Heritage Park, Calgary Tower, Calgary Downtown Association and Alberta Dragon Boat Festival.

**GlobalFest International Fireworks Festival** attracts the world's top pyro-musical fireworks designers whose presentations **illuminate the sky with a colliding orchestra of light and sound in celebration of our world.** GlobalFest requires each designer to follow specific artistic requirements that result in presentations that cannot be seen anywhere else in the world - making each night of the festival a world premiere presentation. In the past 23 years, countries from around the world have participated in this annual competition including China, Brazil, Chile, France, Germany, Italy, Japan, Spain, Mexico, India, the USA, and many more.
